Attendance Policy Covid-19 Addendum

Annex to Attendance Policy

COVID-19 changes to our Attendance Policy from June 2020

Context

1. Schools should resume taking an attendance register when pupils in Reception, Year 1 and Year 6 start in school.
2. All settings should submit daily attendance figures using the educational setting status form by midday every day. Ensure the office has completed registers promptly each session.

Resuming the attendance register

Schools should:

- resume taking the attendance register when more groups of pupils begin to return to school.
- use the attendance and absence codes in the following sections when completing the attendance register until there is another update in government guidance.

Pupils who are not eligible to attend a session

<p>This includes any pupil who is not in an eligible year group or priority group (children of critical workers and vulnerable children). This may also include children who are in an eligible year group but are not required in school for a specific session. They should be recorded as code X (not required to be in school). (Temporarily, code X can be used for compulsory school age children - usually it is only used where non-compulsory school age children are not expected to attend.)</p>	<p>Register code X</p>
--	-------------------------------

Pupils who are eligible to attend a session but do not: **COVID, Shielding or Self-Isolation**

<p>This includes children in eligible year groups, children of critical workers and vulnerable children, such as:</p> <ul style="list-style-type: none"> where a pupil is ill due to COVID-19, shielding, self-isolating (see note 1) they should be recorded as the relevant code 7, 8 or 9. If a pupil has an education, health and care plan (EHCP) and their risk assessment says that their needs cannot be safely met in school, they should be recorded or they are unable to attend due to exceptional circumstances code Y should be used. To help you to complete the educational setting status form, you should note whether the absence is due to shielding or isolation. 	<p>Register code 7 -Illness due to COVID-19</p> <p>Register code 8 - Self-isolating due to COVID-19</p> <p>Register code 9 - Shielding due to COVID-19</p> <p>Register code Y - Unable to attend due to exceptional circumstance</p>
---	--

Pupils who are eligible to attend a session but do not: **Pupils who are ill**

<p>This includes children in eligible year groups, children of critical workers and vulnerable children, such as:</p> <ul style="list-style-type: none"> where a pupil cannot attend school due to illness, as would normally be the case, the pupil should be recorded as code I (illness). To help you to complete the educational setting status form, you should note whether the illness involves coronavirus symptoms. 	<p>Register code I</p>
--	-------------------------------

Pupils who are eligible to attend a session but do not: **Pupils who could attend but parents have chosen not to send them**

<p>This includes children in eligible year groups, children of critical workers and vulnerable children, such as:</p> <ul style="list-style-type: none"> where a pupil does not attend school - despite being eligible and is not shielding, self-isolating, unable to attend due to illness, nor has an EHCP risk assessment saying their needs cannot be safely met at school, the pupil should be recorded as code C (leave of absence authorised by the 	<p>Register code C</p>
---	-------------------------------

school) where no other authorised absence code is appropriate.	
--	--

At this time, all absence should be classed as authorised.

Pupils who are attending other schools

<p>Where a pupil is attending:</p> <ul style="list-style-type: none"> a host school on a temporary basis because their home school cannot accommodate them, the pupil will not be registered at the host school. The home school should record the pupil as attending an approved education activity using code B (off-site educational activity) - the host school does not need to add this child to their attendance register but should keep a record of their attendance for safeguarding purposes and include the child in their daily totals for the educational setting status form - schools should put in place arrangements whereby the host school notifies the home school of any absences 	Register code B
---	------------------------

Using other authorised absence and attendance codes

Where other specific authorised absence and attendance codes are more appropriate schools may want to use these as usual, such as **code M** (medical appointment).

Staggered start times

Unless classes have children not arriving during their allocated staggered start slot, which cause an issue for other groups trying to maintain social distancing, do not record pupils as late during this time.

This policy addendum has been remotely approved by staff and governors for implementation during the coronavirus outbreak on: 26th June 2020
