

Welwyn St Mary's SCHOOL FUND **Newsletter – February 2020**

Please can we ask for your help?

We would like to provide more facilities, and purchase additional equipment, for your child(ren) at Welwyn St Mary's School.

Unfortunately, the school's budget is limited to only 'essential' items.

SCHOOL FUND has supported numerous wonderful projects for all children in the school since 2005, the latest of which has been to make a significant contribution towards the new

KS1 wood playground equipment and play surface.

ALL children enjoy and benefit from these projects.

Making a donation through the **SCHOOL FUND** is ideal for parents, carers and families who cannot easily get involved in fundraising or volunteering for the school but who still want to help in some small way. A single donation, or ideally a regular donation (standing order), will make a HUGE and significant difference to the activities and facilities that can be provided for your child(ren).

Our current project is to raise money to allow David Bowers from '**Mosaic Madness**' to work with ALL children on a new 'Welcome' sign for Reception, and mosaic panels to represent our 'School Values'. Year 5 have been the first to benefit from this additional education and have produced a wonderful mosaic outside the Garden Room.

For more information please visit Welwyn St Mary's school website:

or email the school office on

A donation form is on the reverse of this newsletter.
Even a small £1 or £2 donation made regularly will make a huge difference to the facilities that can be provided.

Thank you for your anticipated support.
