

Hello WSM!

Can you believe this is the 6th edition of the gazette? We hope you enjoy the issue this week. Inside you will find some cool gardening ideas by Miss Milnes, an interview with Miss O'Keefe and some excellent work by pupils from school. Have you been inspired by Sir Captain Tom Moore? What challenges have you set yourself during the past few weeks and months?

Remember to send pictures of your work to the school magazine to be featured in the next gazette!
magazine@welwynst-marys.herts.sch.uk

WE LOVE READING!

What books have you been reading recently?

Have you used the Oxford Owl reading resources? It is packed full of excellent books to read and share with your family. You can watch storytelling videos and also access daily Bitesize lessons!

"This is such a good resource for reading!"

MS Anstey

Ready steady BAKE!

Scones and cake Jess made for neighbours on VE Day.

As it was Mental Health Awareness Week, Jess has been raising money for Mind, the mental health charity. She's been baking for local friends and neighbours (delivered during other essential journeys and with social distancing), and in return they have donated to Mind via a Just Giving page. So far she has made 36 scones, 5 Victoria sponges, 4 batches of shortbread, some chocolate chip cookies, 10 carrot and banana muffins, and has orders for more Victoria sponges and shortbread, a couple of chocolate cakes, an 18th birthday cake, and several batches of dog biscuits! She has raised £410 so far.

Give it a try!

Nature Weaving

Collect fallen leaves and flowers and do some nature weaving with them. I made this one really simply by wrapping yarn around the cardboard.

Garden Adventures with Miss Milnes

If you are an outdoor lover like myself then you will enjoy these activities.

Den Building

Build a den or a fort using the garden furniture.

You could use your dressing up costumes to be a pirate or princess defending your den or you may just want to have a nice picnic and story inside. You decide.

Pizza Maker 360!

Yum!

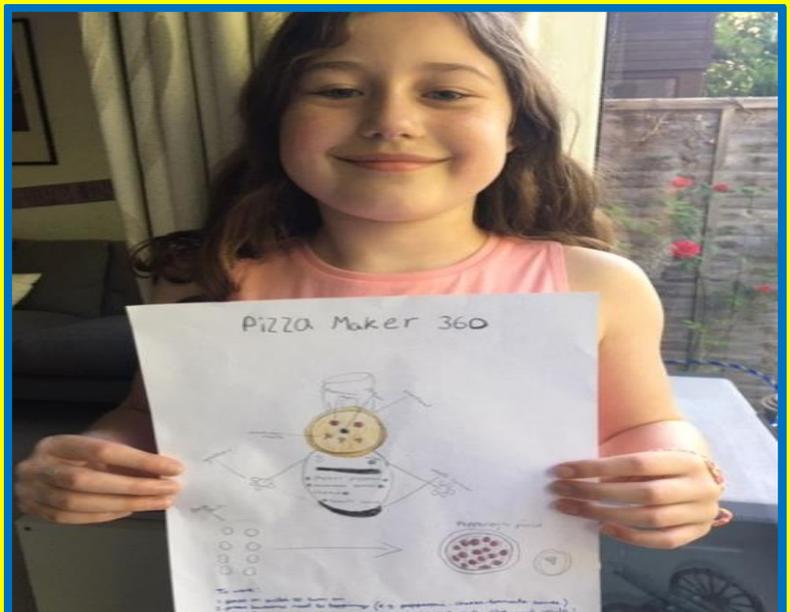

Looking for a family-friendly pizza recipe? Children will love these toppings and genius shortcut recipes. Little ones can also help with making them.

<https://www.bbc.co.uk/cbeebies/makes/tortilla-pizza>

Check out these links above and below to watch a pizza cooking tutorial and to find some delicious recipes.

<https://www.bbcgoodfood.com/recipes/collection/kids-pizza>

Check out this cool pizza making machine!
Maybe you could design your own or even create your own pizza with a recipe to follow?

Home Learning Fun!

What have you enjoyed about your home learning experience? Have you liked playing with and exploring the different online games and activities? What about the family challenge project each week?

Send a report to the school magazine about your home learning experience to be in with a chance of featuring in the next edition of the gazette.

Getting to know Miss O'Keeffe

How long have you worked at Welwyn St Mary's?
This is my third year teaching at Welwyn St Mary's, but I was here for my training year before that as well.

What do you enjoy most about your job?
I love that my job is never boring, the children keep me laughing and no day is the same as before.

What is your favourite meal?
My favourite meal is a full roast dinner with all the trimmings, especially the Yorkshire puddings. I look forward to a Sunday!

If you could take three items to a desert island, what would they be?
I'd take a good book, a deck of cards and some sun cream.

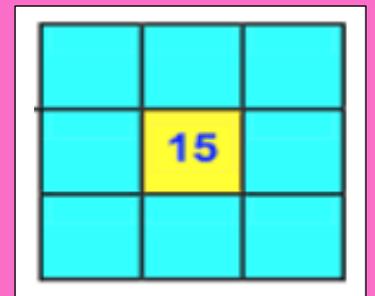

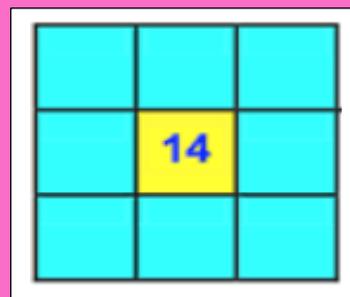

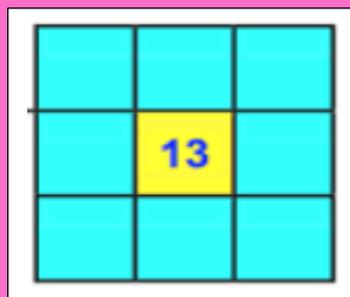

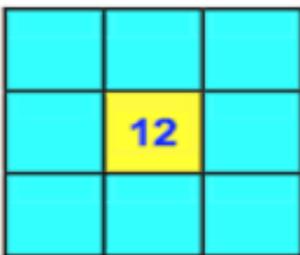

What do you do to relax?
I try to make some time to read before I go to bed, it helps me to unwind and clear my head.

As well as being a fantastic teacher, Miss O'Keeffe also leads PSHE across the school.

Number Puzzle

Can you put the numbers 1-8 in each of the squares so that each side adds up to the middle number?
