

## Governors

Our Governors perform vital, legal functions and also do a lot more to help and support our school.

The governing body is made up of parents, staff and representatives of the church, diocese and Local Authority. They make decisions about how the school is run in consultation with the headteacher; they have legal duties, powers and responsibilities which include appointing staff and deciding how the school budget is spent.

Governors meet as a full group twice a term and the minutes of these meetings are displayed outside the school office. Parent governors can contribute the views and ideas of other parents to the governing body but they are not there to act as a channel for complaints or to address any issue affecting an individual child or parent. There are clear policies and procedures for such situations and parents are encouraged to select the more formal route or perhaps use the Parent Council for more general topics, as appropriate.

Governors are elected or appointed for four years and serve on one or more committees to carry out their various duties.

The following people are our school governors for 2017/18:

Notes:

1. In compliance with the Government direction, the School's Instrument of Government provides for one staff governor. The Governing Body consider that their collective skill set is enhanced by the inclusion of a further member of staff and have agreed that such a person should be co-opted to the Governing Body. The member of staff holding the Staff Governor vacancy will be appointed via an election of all staff; should that person be a member of the teaching staff, then the co-opted person will be a member of the non-teaching staff (and vice versa) also appointed by an election by all staff.
