Principles	We ensure that our teaching and learning opportunities meet the needs of all of our pupils.														
	We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.														
	In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.														
	We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.														
	Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.														
Provision	All our work through the Pupil Premium was aimed at accelerating progress moving children to at least age related expectations.
