

Regional Table Tennis Finals

James , Ethan, Harmone and Jonathan last week continued on their quest for table tennis glory.

The boys competed in Welwyn and Hatfield, Hertfordshire and London to reach the Regional Table Tennis Finals in Bournemouth, a stage never reached before by a team from Welwyn St Mary's.

The team competed against other talented players from across the country, playing 8 matches each over an 8 hour period. The boys finished 3rd overall and the school is extremely proud of the boys' achievements and commitment to the competition. A huge congratulations from all the staff at Welwyn St Mary's.
