### Value

Our value for this half term is: **Forgiveness**

"When you forgive you don't change the past, but you do change the future"

*Bernard Meltzer*

"Be kind to one another, tender hearted, forgiving one another, as God in Christ forgave you"

*Ephesians 4: 32*

### Mrs Howard's baby news

We are delighted to share with you the good news of the safe arrival of Mrs Howard's baby son, Jacques.

### Bracelet sale

Thank you to everyone who bought a bracelet from us. We had a great time making and selling them. We raised an amazing £230 for the Ukrainian Humanitarian Appeal.

We thank our parents for helping us to sell the bracelets.

- Alex, Annabelle, Evie and Poppy

### Packed lunches

Packed lunches should be healthy and well balanced. Sandwiches, or wraps, should contain a protein item (meat, fish, cheese etc). Fruit and vegetables or salad should be included. Items containing sugar, such as cakes and biscuits to be kept to one item only please. Sweets, chocolate bars and fizzy drinks are not allowed. No nuts please as we have a number of children with severe nut allergies.

### Road safety

We are aware that there have been incidences of cars parking inconsiderately and illegally on the hatched areas on Ottway Walk. The local police have been advised. Please take care when using the roads around our school as they can be busy which can pose a risk to all pedestrians and especially our younger children. We will do our best to get out on duty as often as we can and we have asked our local police team to visit when they are able to, but we cannot be outside every day. We need to rely on parents to do the right thing.

### Year 5 Maths challenge

On Tuesday 21<sup>st</sup> February, Eashaan, Aanvi, Yarden and Oliver stayed after school for a maths challenge. 225 teams participated in the challenge. We worked very well as a team. At the start, the questions were really hard, but surprisingly the end ones were easier. We would like to thank Mr Anstey for letting us compete in this event.

### Reception and year 1 dance workshop

On February 2nd, Reception and Year 1 had a dance workshop from DH Dance Academy. We warmed up by playing some dance games to get our muscles ready for dancing. Miss Hayley taught the children a dance to a song from the Lion King and Matilda respectively. The children learnt the actions and showed enthusiasm as they danced. We are really thankful to DH Dance Academy for providing such an enjoyable session.

Reception reflected on what they had enjoyed about the session.

Jamie said, "We danced to the Lion King Song".

Frances said, "I enjoyed the roar".

Megan said, "I loved dancing round and round"

Freddie said, "I liked doing the Lion King song and I danced it at home too"

Year 1 also enjoyed their dance.

Teddy said, "I liked the music because I've seen the film. At the end we said, 'we're revolting!'"

Penelope said, "I like where we said, 'our power'. My power was to make people better".

Sophie G said, "We pretended we had magic powers".

Ralphie said, "I liked the criss-cross with my feet when we were dancing".

### Year 5 - Woodhall Estate Trip

On Thursday 23rd February we went on a year 5 school trip to the Woodhall Estate near Hertford. When we arrived, we were greeted by our guides who talked us through the day. Our first activity was a quiz. We went around to find posts with facts and information about creatures to help us answer the questions. Next, we got some equipment and started minibeast hunting. We used magnifying glasses and pots and sheets to document our findings. After searching for a while, we went on to our next activity; planting trees. We planted acorns, chestnuts and some saplings. Next, we had our lunch. We ate our lunch on a tarpaulin and went on adventures for a while. After lunch we went to make some necklaces and keyrings etc, out of wood with holes drilled in it. After tidying up we finished off our lovely day with some den building. Thank you to all the adults that came with us and thank you to all the people at Woodhall Estate for such a fun day.

- Sienna and Olivia

### Year 2 Forest School

Year Two have been enjoying their Forest School sessions with Mrs Farrington this term. They have been learning how to be safe at forest school and how to look after the plants and animals in the nature reserve. They have used their observational skills to look for signs of wildlife in the nature reserve and have used identification sheets and books to identify the birds living around our school. They have taken part in the Big

School birdwatch and made pine cone bird feeders to encourage more birds into our school grounds. This week we have been looking for signs of Spring and have spotted bird nests, catkins and buds on the trees. We are looking forward to seeing what animals are living in our nature reserve when we put up a camera trap. We are also working towards the RSPB Wild Challenge. We would like to thank the parents and staff who have volunteered to enable our sessions to take place, if there are any parents who would like to help with future sessions, please contact Mrs Farrington via the school office. If anyone has any spare equipment such as binoculars, gardening tools or nature books to donate, they would be gratefully received.

Please note there is no forest school from 27<sup>th</sup> February to 10<sup>th</sup> March. There is no need to send in Forest School equipment as children will be in class as normal.

### Year 3 Greek Day

A wonderful day was had by all. The children thoroughly enjoyed stepping back in time to discover what life was like in Ancient Greece.

- "It was the best day ever! My favourite activity was making a plate out of clay." Renos
- "It was so much fun. I learnt how to make a wax tablet. This is what Ancient Greek people used to write things down." Ellis
- "I enjoyed dressing up and doing the play in the afternoon. People in Ancient Greek times used to love going to the theatre." Annabel

Thank you to all of our parent helpers who supported this exciting day.

### Thinking day

We supported Girlguiding in celebrating Thinking Day on Wednesday 22nd February by inviting all our children who are part of our local Rainbows, Brownies, Guides, Cubs, Beavers and Scouts units to wear their Girlguiding or Scouting uniform to school. Thank you to all the children for taking part - they look very smart in their uniforms.

### World Book Day

We will be celebrating World Book Day on **Thursday 2<sup>nd</sup> March**. On this day, we would like all children to bring their favourite book in to school and children may dress up as a book character for the day if they wish (no football kits please). We would love to see homemade costumes and do not expect parents to go to the expense of buying new costumes.

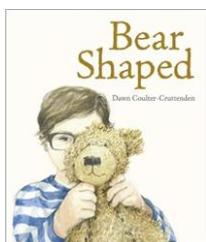

Children will take part in reading themed activities throughout the day, including peer reading, guess the book character, dressing their classroom doors as a front cover of a book... and so much more. There will also be a few reading related competitions running.

On the day, every child will receive a £1 book token.

### Book recommendation

As part of our ongoing work on diversity and inclusion, each month we will be suggesting a selection of books to share and enjoy with your children.

#### This month's book recommendations:

#### **Bear Shaped** by Dawn Coulter-Cruttenden

Jack and Bear were best friends. They did everything together. They went everywhere together. But one day, Bear just disappeared ... This inspiring picture book about learning to let go is based on the true story of a family's public search for a missing toy.

#### **My Beautiful Voice** by Joseph Coelho

A moving, lyrical picture book about a shy child unlocking the power of their own voice through poetry, with the helping hand of an extra special teacher.

These books are currently available at Welwyn Library for you to borrow, along with several other titles that celebrate diversity and inclusion, including *My Hair* by Hannah Lee, *The Boy with the Butterfly Mind* by Victoria Williamson and *The Star Outside my Window* by Onjali Q Rauf. Happy Reading!

### Term Time Absence and Penalty Notices

A reminder that Hertfordshire County Council issues Penalty Notices which meet the Hertfordshire Code of Conduct regardless of the overall level of the pupil's attendance. Please be advised that the Governing Body has agreed that Welwyn St Mary's will be following this guidance.

This means that unauthorised absence exceeding 15 sessions (each day is two sessions) over 2 consecutive terms risks a fine of up to £120 per parent for each individual child. The Local Education Authority may issue you with a Penalty Notice under Section 444 of the Education Act 1996, for failure to secure your child's regular attendance at school. One session is equal to a morning or an afternoon.

So that parents are aware of the risk of receiving a Fixed Penalty Notice, Welwyn St Mary's will issue warning letters to all parents who request term time holiday, regardless of the length of holiday.

Please note that:

- Even brief term time holidays can affect children in school adversely for some weeks. Both before and after the actual vacation.
- Very few children can afford to miss aspects of the school curriculum.
- Staff are unable to provide activities for your child to complete during unauthorised absences from school.
- It is also highly unlikely that your child will be able to 'catch up' on the work undertaken by classmates whilst your child is on holiday.

We appreciate your understanding and thank you for supporting us in maintaining our high attendance record.
