Here are lots of great places to find online activities and resources. Some are grouped by subject but many sites offer a mixture.

Online safety is always important but even more at the moment. Try to make sure you can see what your child is doing online

#### General writing ideas:

- **Project Books** e.g. historical theme, famous people, a favourite author, science theme, inventions etc. Model the project on a non-fiction book format and include a contents, glossary and a brief index as well as interesting information, pictures, captions and sub-headings. Add in a pop-up page somewhere or links to online information for further interest and research.
- **Write a diary, log or blog** e.g. spring watch observations or a chart about daily exercise and the benefits felt
- **Make a poster** to advertise, advise, warn or inform e.g. 'Beware! Gruffalo's live in this wood.' Use the computer, learn how to draw bubble writing, choose colours that really stand out, plan and draft before starting the real one.
- **Write a letter** to someone - someone you admire, someone you could never meet (e.g. a historic figure), someone you don't see enough.
- **Learn spelling lists:** Weekly spelling lists for year groups posted on the website - learn and test each week.
