

Welwyn St. Mary's Primary School

# Spring Term 2021

# Reception

Welcome back! We hope you all had a good Christmas and a happy New Year.

## Topics for this term.

Our first topic this year is Toys. We will be thinking about:

-  Special toys
-  Toys that move
-  Puppets
-  Old and new toys

We will also be looking at different kinds of birds to tie in with the RSPB big bird watch at the end of January.

Our second topic this term focuses on People that help us and will include:

-  People that help us at home.
-  People that help us at school.
-  People that help us in the local community.
-  The Emergency Services. ~ This **may** include a trip to Welwyn Fire Station (date to be arranged later).

If there is anyone who would like to talk to the children about their work as part of this topic, we would welcome you with open arms, especially anyone involved in the emergency services. Please let us know.

Our third topic will be Spring and Easter.

There are a few things that you can continue to do to help us:

- Please continue to read with your child for a short period every day. Your child will not only benefit from reading to you but also from hearing you read to them.

- Our PE days are Tuesdays and Thursdays for both classes. Please continue to send your child in wearing their PE kits on these days. Thank you.
- Please continue to send your child into school each morning with their book bag and a water bottle. You can either provide your own fresh fruit and vegetables for snack, or have school snack.

If you would like to help in class in any way please let us know as we would welcome your time and talents! This could be reading with the children, helping us with the library or something else you could

offer. This will be dependent on Covid restrictions and DBS checks.
