Newsletter - March 2020

Value

Our value for this half term is:
Justice

"Justice cannot be for one side alone, but must be for both."
Eleanor Roosevelt

"The righteous care about justice for the poor, but the wicked have no such concern."
Proverbs 29:7

Home learning

We are delighted with all the home learning going on. Well done all of you including, or maybe especially, parents. Please fit in what you can, when you can. You are not expected to do everything. All your circumstances will vary so make your own timetables to suit your time. New units and ideas will appear on our website weekly. They are suggestions and starting points. If you are time short then please prioritise reading. Don't forget that fun activities are learning too such as baking a cake, making a scrapbook or gardening. Just talking to your children as you work together teaches and improves language and self expression.

Inspirational thoughts and prayers

Quite shortly we will be posting some 'Thoughts for the Day' and prayers on our website which we hope you will find useful. Thanks to Mrs Jackson and Mrs Harrison for these.

Easter holiday fun activities

We will send out a host of fun activities for the Easter holiday which look great for the whole family. Thank you to our TA team for these.

E safety

Whilst computers and devices are invaluable for home learning and communication during isolation or staying at home as advised, do please observe our usual e-safety routines. Do check what your child is accessing and ensure it is always age appropriate. There are lots of useful resources and guidance on our school website: <http://welwynst-marys.herts.sch.uk/parents/e-safety/>

Water Bottles

If your child is attending school as you are a key worker, please ensure that they bring their water bottle with them each day.

Office Hours

Our school office is open from 8.30 am to 9.30 am for the registration of key worker children. Email is monitored regularly and we would ask all parents to help us by emailing rather than calling on admin@welwynst-marys.herts.sch.uk

Government advice

Please keep tuned to television and radio news to ensure your family heed latest government advice. Inconvenient though it might be, if we all follow this, we can maximise the chance of beating this virus together.

Do take care and keep safe and well during this extraordinary time. Perhaps our children should keep diaries for posterity? School remains open for key worker families and school queries from all our families. We will continue our newsletters as before to keep our lovely school community connected.
