# Summer Term 2023

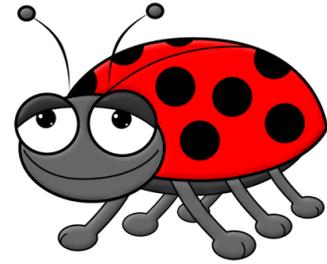

Year R

## Topics for this term

This term our topics are *Growth*, *Mini-beasts* and *Journeys*.

During the first half-term we will be continuing to learn about the growth and lifecycles of different living things and then we will be investigating different mini-beasts.

Our work will include:

- finding out about the lifecycles of frogs and butterflies following our plant investigations in spring
- finding out about the mini-beasts that live all around us
- using our garden and the Nature Reserve to observe mini-beasts in their natural habitats
- creating our own mini-beasts using different media

As part of our topic we will be having a visit from Ark Farm to look at animals.

During the second half-term, we will base our learning on different journeys:

- a journey into space
- journeys around the world
- journeys on sea
- our summer holiday plans

As part of our journey's topic, we will be:

- following directions and making simple maps
- finding out about other countries, their cultures and beliefs

In RE this term, we will be reading some of the stories that Jesus told and looking at the story of Noah's Ark.

We will also be continuing to use the Jigsaw PSHE scheme with the focus on the topics 'relationships' and 'changing me'. As part of our PSHE we will also be looking at the book 'Weirdo' by Zadie Smith. This book looks at a guinea pig who is exploring their individuality. This book looks at acceptance and tolerance.

Here are a few things that you can continue to do to help us.

- Please continue to read with your child for a short period every day. Your child will not only benefit from reading to you but also from hearing you read to them. Also, continue to help them to learn the flashcards they bring home.
- Please check school bags daily for letters and other bits that may be sent home from school.
- Please ensure that any new summer uniform is clearly named especially school jumpers and cardigans which tend to get taken off during playtimes.
- In the summer term, it is essential that you put sun cream on your child before they come to school as we spend a lot of time outside. Also, please remember to send them into school with a named school sun hat and a bottle of water every day.
- Please ensure your child attends school in their PE kit on their PE day: Thursday for both classes.
- In addition, a gentle reminder that nail polish, temporary tattoos and jewellery are not part of our school uniform and should, therefore, not be worn when at school.

Dates for your diary:

Please keep an eye on the weekly letters we send and the whole school newsletters for diary dates. These will include

- Our visit from Ark Farm 13.6.23
- KS1 and Reception Sports' Day 22.6.23
- Reserve Sports' Day 29.6.23
- Reports out to parents 7.7.22
- Open Evening 11.7.22

Many Thanks,

Miss Lewis, Miss Popham, Mrs Castiglione and the EYFS team
