

# Home Learning Heroes

How great is this?!  
Morgan made a human body, including organs, using different foods.  
Very effective!

Harvey's design of a Matisse paper cut-out is amazing. Well done Harvey!

Lillia created a Zen garden with wind chime and water features. She also found lots of tadpoles and a big frog in her pond. We love this Lillia!

Keep your home learning pictures coming in by sending them to [magazine@welwynst-marys.herts.sch.uk](mailto:magazine@welwynst-marys.herts.sch.uk)
