**YOU  
ROCK!**

Zac AT2

Nia and Audrey

Amazing art by Ashton!

Ben in MR being very creative.

Baking skills by Poppy

Easter arts and crafts

Maths Mayhem with Laura

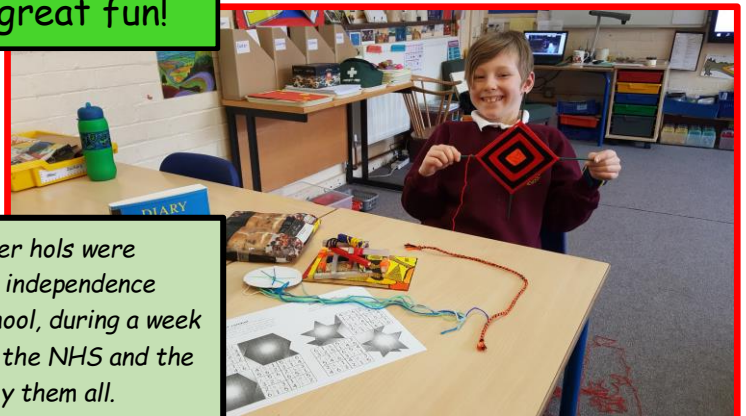

Getting creative!

Easter activities at school

This looks great fun!

The children who were in school during week 2 of the Easter hols were ace. They had great creative ideas, worked with fantastic independence and skill and were lots of fun to be around. By being in school, during a week they would ordinarily be at home, they share in supporting the NHS and the government strategy. I was mighty proud and impressed by them all.  
(Ms Anstey)

**Keep your home learning pictures coming in by sending them to the school magazine at [magazine@welwynst-marys.herts.sch.uk](mailto:magazine@welwynst-marys.herts.sch.uk)**
