# Cosmic Yoga at school

Try it yourself at

<https://www.youtube.com/user/CosmicKidsYoga>

**Topaz Bubble**

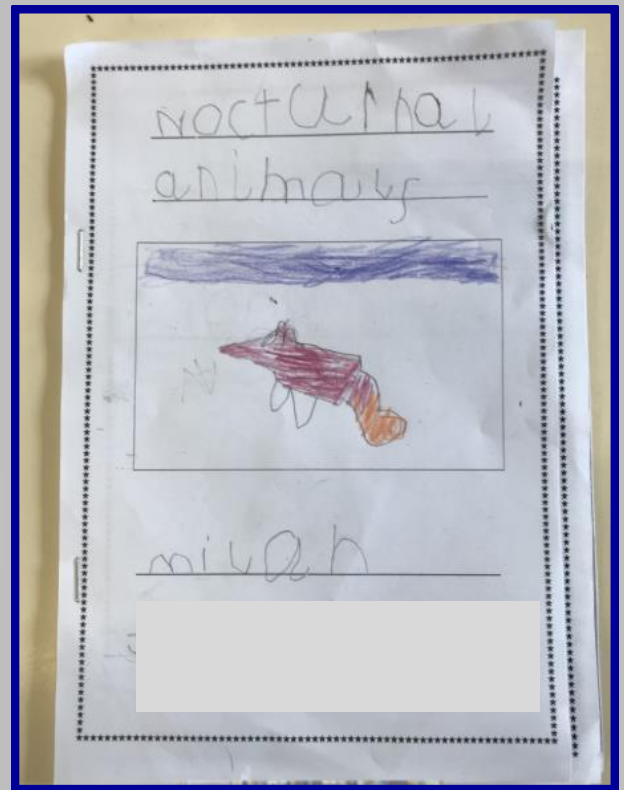

Yoga,  
mindfulness and  
relaxation for  
kids.

## Nocturnal Animals

**Indigo Bubble wrote non-fiction books about nocturnal animals.**

**Keep up the  
great work  
Indigo  
Bubble!**

**Children enjoyed reading out their  
work and sharing their findings  
about nocturnal animals.**

# Getting to know Mrs Sivell

Mrs Sivell

**How long have you worked at Welwyn St Mary's?**  
I have worked at WSM since January 2009 so I am in my 12th year.

**What do you enjoy most about your job?**  
I really enjoy my job. I like talking to our families and seeing the children every day. I especially love hearing the children sing in the hall whilst I work, Christmas carols are my favourite. No two days are the same in the school office so it is never boring!

**What is your favourite meal?**  
It has to be a roast dinner with Yorkshire puddings followed by yummy lemon meringue pie.

Ralph

**If you could take three items to a desert island, what would you take?** I would like to take my dog Ralph but it might be too hot for him. I would take a Bible, a multi-purpose tool and a photograph of my family including Ralph.

**What do you like to do to relax?**  
I go for lots of walks with my dog Ralph. He is an Irish Setter and very big and bouncy! I enjoy gardening and going for picnics with my family. I have two little grandsons and we always have great fun!

Help to save and protect the bumblebee!

## Fun and educational activities

**Free educational activities designed for children from age 4 to 11+ to develop their knowledge and understanding of bumblebees, the challenges and threats they face, and how children can become a guardian of bumblebees to secure their future.**
