

## Learning at home. Year 3 Week 1

Use this grid to help your child work at home. Children concentrate best during the first half of the day. Make a routine that works for you. Build in fun, exercise and times to relax and laugh. Tell your child that school will want to see what they have been doing.

Reading	Writing	Maths
<ul style="list-style-type: none"><li>Daily reading using a home book or other reading materials e.g. a recipe, magazines, National Geographic for kids' website, BBC Bitesize reading materials.</li></ul> <p>Continue to share your reading with an adult and record all reading in some way.</p> <ul style="list-style-type: none"><li>Complete the World book Day reading challenge if you are able to access a range of books.</li><li>Complete the reading comprehensions by following this link. <a href="https://www.twinkl.co.uk/resource/t2-e-4202-lks2-60-second-reads-rainforests-activity-pack">https://www.twinkl.co.uk/resource/t2-e-4202-lks2-60-second-reads-rainforests-activity-pack</a></li></ul>	<ul style="list-style-type: none"><li>Learn your weekly spellings using week one of the spelling sheets given out on Friday.</li><li>Work on your project.</li></ul> <p>Use Purple Mash - follow these links: Home English Spelling Resources Grammar 2 Create a story 2 type (practise your typing skills)</p>	<ul style="list-style-type: none"><li>Do a page from your mental maths homework book each week.</li><li>Use the Times Tables Rockstars website daily.</li><li>Teach your child how to tell the time using an analogue clock. The best way is to read the clock at several points during the day and keep a timed diary of a day. 5 times tables is essential for this.</li></ul> <p>This link could be helpful: <a href="https://www.youtube.com/watch?v=h6RNkQ7IU8Y">https://www.youtube.com/watch?v=h6RNkQ7IU8Y</a></p> <p>Use Purple Mash - follow these links: Home Maths Carry out any of the activities and games.</p>

### Family challenge project

Theme for the fortnight beginning 23.03.20.

## Animals

What really interests you about this theme? Here are some ideas to get you thinking.

You could:

- Be a scientist and look at grouping, classifying, habitats, food chains, animal life cycles or more
- Make a fact file
- Write poems
- Research an endangered species or your favourite animal
- Make a food chain
- Create a habitat

If you would like to link it with year 3 learning, rainforest or extinct animals would be a suggestion.

- Make a model / a poster / a stop animation about your animal on the ipad
- Write a story / adventure / diary
- Be an artist and create a fantastic mini or mega artwork

### **Extra Challenge Time**

This week, can you complete the Science Tasks checklist? See how many home activities you can tick off.

**Twinkl home learning access - this website has a range of activities you can do each day. This is the code you will need: UKTWINKLHELPS**

- Cosmic Yoga for kids - You Tube
- Set up an obstacle course to keep exercising
- Super Movers videos – BBC website link
- 

If you would like to, other books are available such as the Mental Maths Homework Book (Schofield and Sims).
