

Learning at home Year 4

Use this grid to help your child work at home. Children concentrate best during the first half of the day. Make a routine that works for you. Build in fun, exercise and times to relax and laugh. A lot of our work will be set each Monday on Purple Mash. The children will find the tasks in their 2Do list. Space these out as you see fit over the week. Tell your child that school will want to see what they have been doing.
