

## Learning at home Year 4 - week 2: 30.03.20

Use this grid to help your child work at home. Children concentrate best during the first half of the day. Make a routine that works for you. Build in fun, exercise and times to relax and laugh. A lot of our work will be set each Monday on Purple Mash. The children will find the tasks in their 2Do list. Space these out as you see fit over the week. Tell your child that school will want to see what they have been doing.

Reading	Writing	Maths																																													
<ul style="list-style-type: none"> <li>Daily reading using a home book or other reading materials e.g. a recipe, magazines, National Geographic for kids' website, BBC Bitesize reading materials. Continue to share your reading with an adult and record all reading in some way.</li> <li>Please continue to discuss your child's reading with, asking them questions about characters and the writing. Please see reading guidance for Year 4 on our website for support.</li> <li>Complete the World book Day reading challenge if you are able to access a range of books.</li> </ul> 	<ul style="list-style-type: none"> <li>Complete grammar and writing 2Dos on Purple Mash.</li> <li>Learn weekly spellings and complete spelling homework in your homework books.</li> <li>This week's homework is to write an information text using your words. You may choose the topic. <b>Remember to use your home books supplied by your teacher before you left. We can't wait to see all the fantastic work you have produced!</b></li> </ul> <p>Find your group's spellings below:</p> <table border="1" data-bbox="656 826 1480 954"> <tr> <td colspan="5"><b>Toucans Test date: 2/4/20 vowel grapheme 'aw'</b></td> </tr> <tr> <td>saw</td> <td>draw</td> <td>claw</td> <td>lawn</td> <td>crawl</td> </tr> <tr> <td>jaw</td> <td>straw</td> <td>yawn</td> <td>prawn</td> <td>squawk</td> </tr> </table> <table border="1" data-bbox="656 997 1554 1125"> <tr> <td colspan="5"><b>Eagles Test date: 2/4/20 Prefixes: auto- circ- anti-</b></td> </tr> <tr> <td>circle</td> <td>circular</td> <td>autograph</td> <td>automatic</td> <td>anticlockwise</td> </tr> <tr> <td>circus</td> <td>circuit</td> <td>automobile</td> <td>antiseptic</td> <td>antisocial</td> </tr> </table> <table border="1" data-bbox="656 1166 1644 1294"> <tr> <td colspan="5"><b>Macaws Test date: 2/4/20 Prefixes: auto- circ- anti-</b></td> </tr> <tr> <td>circular</td> <td>circumstance</td> <td>automatically</td> <td>automobile</td> <td>anticlockwise</td> </tr> <tr> <td>circuit</td> <td>circumference</td> <td>autobiography</td> <td>antiseptic</td> <td>antisocial</td> </tr> </table> <p><b>Please send your teacher your score and a message on Purple Mash on how you got on!</b></p>	<b>Toucans Test date: 2/4/20 vowel grapheme 'aw'</b>					saw	draw	claw	lawn	crawl	jaw	straw	yawn	prawn	squawk	<b>Eagles Test date: 2/4/20 Prefixes: auto- circ- anti-</b>					circle	circular	autograph	automatic	anticlockwise	circus	circuit	automobile	antiseptic	antisocial	<b>Macaws Test date: 2/4/20 Prefixes: auto- circ- anti-</b>					circular	circumstance	automatically	automobile	anticlockwise	circuit	circumference	autobiography	antiseptic	antisocial	<ul style="list-style-type: none"> <li>Complete a page from your mental maths homework book each week.</li> <li>Use the Times Tables Rockstars website daily. ## Family challenge project

Theme for the weeks beginning 23.03.20 and 30.03.20 **Please continue for a second week!**

### Animals

What really interests you about this theme? Here are some ideas to get you thinking.

You could:

- Be a scientist and look at grouping, classifying, habitats, food chains, animal life cycles or more
- Make a fact file
- Write poems
- Research an endangered species or your favourite animal
- Make a food chain
- Create a habitat
- Make a model / a poster / a stop animation about your animal on the iPad
- Write a story / adventure / diary
- Be an artist and create a fantastic mini or mega artwork

### Extra Challenge Time

This week, can you complete the Science Tasks checklist? See how many home activities you can tick off.

Cosmic yoga, Just Dance, 5 Minute Move and Move to Learn can all be found on YouTube. BBC super movers can be found on the BBC website.

Remember to tune into the Joe Wicks workout every morning at 9am!

Twinkl have lots of resources for all subjects, including full home learning packs. They are offering free access for parents at [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) with the code CVDTWINKLHELPS

[www.nrich.maths.org](http://www.nrich.maths.org) is a free website that offer lots of maths activities for a range of ages and abilities.

You might find Phonics Play useful as well, they are also offering free access for parents with the following login details;

Username: march20

Password: home

You could buy other books like the Mental Maths Homework Book e.g. KS2 Comprehension Book 2: Year 4, Ages 8-9 (for the new National Curriculum) by Schofield & Sims , Fractions, Decimals and Percentages Book 4: Year 4, Ages 8-9

## Maths Activity of the Week

This week we are asking you to create your own board game/activity to test your times tables!

You may want to create a game similar to snakes and ladders or a simple game of snap!

You could even create your own times table river using chalk in your garden.

Please see the images below for a few ideas.

Pass go	$2 \times 9$	5 lots of 2	$2 \times 1$	2 multiplied by 7
10 times 2				$8 \times 2$
$2 \times 5$				2 times by 6
1 multiplied by 2				$9 \times 2$
$11 \times 2$				2 lots of 3

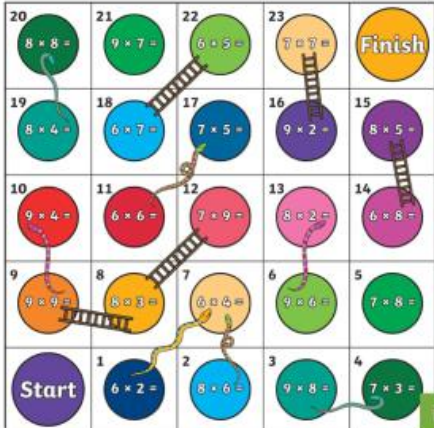

**Snakes and Ladders 6, 7, 8 and 9 Times Tables**

You will need...

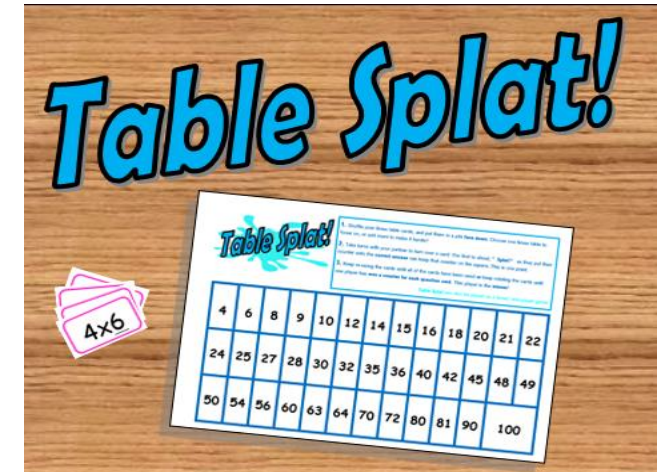

- The Snakes and Ladders Board
- Game board
- A dice
- A counter per player

How to play...

- Players take it in turns to roll the dice. The player with the highest number goes first, the player with the second highest goes second and so on.
- When it's their turn, players move the counter the number of spaces shown on the dice and answer the calculation they land on.
- If the answer given to the calculation is correct, play continues as usual:
  - landing on a snake's head - the player's counter slides down;
  - landing at the bottom of a ladder - the player's counter slides up.
- If the answer given to the calculation is incorrect, the player misses a go.
- The first player to reach the finish is the winner!

Good luck everyone!

## Science Extravaganza

This weeks science experiment is to create your own Spinema! Create an optical illusion and get create with your pens and paper. To find out how to complete the experiment, please click on the link below:

<https://www.rigb.org/families/experimental/spinema>

## French for week commencing 30/3/2020

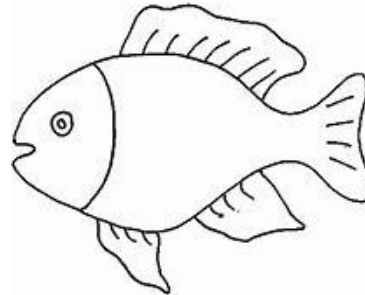

Bonjour tout le monde

Please continue to practise your French at home, count in French when you are playing board games or games outside. Teach some French greetings to someone in your family. Play hangman with some French vocabulary.

This week people in France celebrate the 1<sup>st</sup> April in a particular way

<https://www.brilliantpublications.co.uk/upload/gallery/9781905780440-French-Festivals-poisson-avril-April-Fools-Day-21-22.pdf>

Open this link to find out about April Fool's Day in France. You could draw a paper fish - un poisson d'avril and label the colours, write an acrostic

poem or even make up your own knock knock joke in French.

Remember to log on to Babelzone <https://www.lcfclubs.com/babelzoneNEW/>, the username is welwyn and the password is french and explore the stories, songs and games. There are some lovely Easter activities.
