

Year 5 Learning at home.

Use this grid to help your child work at home. Children concentrate best during the first half of the day. Make a routine that works for you. Build in fun, exercise and times to relax and laugh. Tell your child that school will want to see what they have been doing.

Family challenge project

Theme for the week beginning 23.03.20:

Animals

What really interests you about this theme? Here are some ideas to get you thinking.

You could:

- Be a scientist and look at grouping, classifying, habitats, food chains, animal life cycles or more
- Make a fact file
- Write poems
- Research an endangered species or your favourite animal
- Make a food chain
- Create a habitat
- Make a model / a poster / a stop animation about your animal on the ipad
- Write a story / adventure / diary
- Be an artist and create a fantastic mini or mega artwork

Extra Challenge Time

This week, can you complete the Science Tasks checklist? See how many home activities you can tick off.

Twinkl home learning access - this website has a range of activities you can do each day. This is the code you will need:

- Cosmic Yoga for kids - You Tube
- Set up an obstacle course to keep exercising
- Super Movers videos – BBC website link
