

Year 5 Learning at home: week 11 beginning 01.06.20

Good morning everyone! Hope you had a rest from school work over half term. Well back to it now!

Summer term:

- Use our **learning skills steps**. Use these every day and see how high you can climb. Can you get higher in different subjects?
- The school magazine is out and regularly updated. Look out for recipes, jokes, inspiring photos, interviews and news! What can you add about things you are up to, maybe some outdoor pictures to make us smile?

Have fun and keep smiling. 😊

Go for Goals!

Climb the learning skills steps! Aim to get as high as you can.

I can organise what I need to use when I am learning and I can pack away when I have finished.	I can get started on my own or with just a little help.	I can concentrate and keep going on a task.	I can set my own learning goals I can talk about / evaluate my success.	I have good ideas, ask interesting questions and find solutions to problems.	I can talk clearly about what I have learnt and tell someone else about it.
Step 1: get organised.	Step 2: be independent.	Step 3: focus and persevere.	Step 4: set your own standards.	Step 5: be creative and use your initiative.	Step 6: secure what you know.

Reading	Writing	Maths
<p>On-going</p> <ul style="list-style-type: none"> Daily reading using a home book or other reading materials e.g. a recipe, magazines, National Geographic for kids' website, BBC Bitesize reading materials.
