

Year 6 Learning at home

Week beginning: Monday 23rd March 2020 and Monday 30th March 2020

Use this grid to help your child work at home. Children concentrate best during the first half of the day. Make a routine that works for you. Build in fun, exercise and times to relax and laugh. Tell your child that school will want to see what they have been doing.

If you do not have any of the resources below e.g. a spelling list do not worry - just forget the task.

Reading	Writing	Maths
<p>On-going</p> <ul style="list-style-type: none"> Daily reading using a home book or other reading materials e.g. a recipe, magazines, National Geographic for kids' website, BBC Bitesize reading materials. Continue to share your reading with an adult and record all reading in some way. Complete the World book Day reading challenge if you are able to access a range of books. Watch Newsround <p>Week 1</p> <ul style="list-style-type: none"> Complete the reading comprehensions: <ul style="list-style-type: none"> Evolution and Inheritance The Circulatory System <p>Week 2</p> <ul style="list-style-type: none"> Horrible Science - famously foul experiments Yellowstone and Grand Teton National Parks 	<p>On-going</p> <ul style="list-style-type: none"> Learn your weekly spellings which have gone into your homework folder. <p>Use Purple Mash - follow these links: Home English Spelling Resources Grammar 2 Create a story 2 type (practise your typing skills)</p> <p>Week 1</p> <ul style="list-style-type: none"> Complete pages 1 - 6 of your Spring English Activity Booklet <p>Week 2</p> <ul style="list-style-type: none"> Complete pages 7 - 11 of your Spring English Activity Booklet 	<p>On-going</p> <ul style="list-style-type: none"> Do a page from your mental maths homework book each week. Use the Times Tables Rockstars website daily. <p>Use Purple Mash - follow these links: Home Maths Carry out any of the activities and games.</p> <p>Week 1</p> <ul style="list-style-type: none"> Carry out the maths tasks: Complete: Arithmetic Paper 1 Reasoning Pack 1 Test 1a Maths Activity Booklet complete as much as you like. <p>Week 2</p> <ul style="list-style-type: none"> Carry out the maths tasks: Complete: Arithmetic Paper 2 Reasoning Pack 1 Test 1b Maths Activity Booklet complete as much as you like.

Family challenge project

Theme for the week beginning 23.03.20 and 30.03.20

Animals

What really interests you about this theme? Here are some ideas to get you thinking.

You could:

- Be a scientist and look at grouping, classifying, habitats, food chains, animal life cycles or more
- Make a fact file
- Write poems
- Research an endangered species or your favourite animal
- Make a food chain
- Create a habitat
- Make a model / a poster / a stop animation about your animal on the ipad
- Write a story / adventure / diary
- Be an artist and create a fantastic mini or mega artwork

[For further activities you can do at home please see the list of resources and websites sent via parentmail.](#)

French for week commencing 30/3/2020

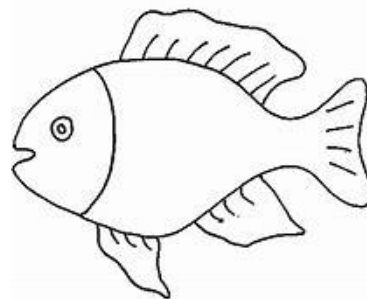

Bonjour tout le monde

Please continue to practise your French at home, count in French when you are playing board games or games outside. Teach some French greetings to someone in your family. Play hangman with some French vocabulary.

This week people in France celebrate the 1st April in a particular way

<https://www.brilliantpublications.co.uk/upload/gallery/9781905780440-French-Festivals-poisson-avril-April-Fools-Day-21-22.pdf>

Open this link to find out about April Fool's Day in France. You could draw a paper fish - un poisson d'avril and label the colours, write an acrostic

poem or even make up your own knock knock joke in French.

Remember to log on to Babelzone <https://www.lcfclubs.com/babelzoneNEW/>, the username is welwyn and the password is french and explore the stories, songs and games. There are some lovely Easter activities.
