

Afternoons at home:

See the family project for week beginning 29th June. We will upload onto the website the new family project each week - see separate grid.

Have a go at some of the **PE challenges** each day you are at home too - see below.

Consider the five ways to wellbeing throughout your chosen activity:

Take part in individual skills challenges / events. Can you go faster, higher, stronger?

Encourage each other to improve your Personal Bests (PBs)

Show your acts of kindness through support for each other

Make a note of the progress and improvement you each make

Learn new skills and see self-improvement through preparation and practice

Choose your event, these are just a few ideas:

- **Quick Start** - How fast can you react from different starting positions to sprint a set distance?
- **Speed bounce** - this will certainly get your heart racing. How many times can you jump side to side in 60 seconds?
- **Right Way Wrong Way** - in 60 seconds, can you challenge someone to turn everything the right way, as you turn everything the wrong way? You could play this in teams, or as a relay.
- **Wacky races** - can you create your own Wacky race? Add obstacles, find different ways to move and compete against the clock? Challenge someone in your home, or virtually to take part too.
- **Running cards** - race against the clock and an opponent to reveal the Ace to the King in a suit of cards. How quickly can you complete the challenge? Can you improve your time?
- **Nutty squirrels** - as a team or individually, how many items can you collect before they are all gone?

Challenge yourself, your family, your friends:

- How far could you run with all your quick start attempts
- How many people could you challenge to do speed bounce at the same time?
- Can you support each other to improve your personal best?

Capture it, create memories and celebrate. Why not...

- Create and stage your own 'old school' sports day using multiple activities
- Have fun with it - you could wear fancy-dress
- Have a parents'/guardians' race
- Create a journal or scrapbook about your week to capture these memories.

Take photos, videos and make memories. We would love to see them. [#NSSWtogether](#)
