

Welwyn St. Mary's Primary School Year 6

Spring Term 2024

BP6	HM6
<p>Mrs Branch (Mon/Tues am) <i>Class Teacher</i></p> <p>Mrs Phillips (Weds am, Thurs, Fri)</p> <p>Ms Mills <i>Teaching Assistant every morning</i></p> <p>PPA cover Mrs Farrington Tuesday PM Mrs Thompson Wednesday PM</p>	<p>Mrs Mather <i>Class Teacher</i> Monday - Wednesday</p> <p>Mrs Harrison <i>Class Teacher</i> Thursday - Friday</p> <p>Mrs Soppett Moss <i>Teaching Assistant every morning</i></p>

We hope that you find all the information in this leaflet useful. If you have any further questions about the term ahead, please do let us know so that we can arrange a time to talk to you.

There are a few things that you can do to help us:

- Please ensure that your child reads and brings their home learning record and reading book to school every day. Don't forget sharing books is still enjoyable - even in Year 6! As in previous years, please sign their home learning record as regularly as you can when you have read together.
- Please do not hesitate to let us know if your child struggles with a piece of homework (a note on the actual piece of homework, or in their reading record is fine).

Thank you

Sam Branch, Emma Harrison, Wendy Mather, Emma Phillips

Daily Routines

We encourage each child to learn and follow simple daily routines in order to make them independent and responsible for their own belongings. It would be an enormous help to the staff and your child if you could support this by doing the following:

- Dropping your child off promptly at the KS2 waiting area every morning, allowing them to walk into school ready for their day's learning.
- Giving your child a piece of fruit (or vegetable) to eat at break time. Please remember that our school policy is fresh fruit and veg only.
- Labelling all belongings - including coats, clothes, PE kits and shoes.
- Ensuring that your child comes to school with a well-stocked pencil case - including a glue stick.
- Ensuring your child wears their PE kit on the correct days.
- Ensuring your child has their bag, lunch box (if they need one) and water bottle with them in the morning.
- Waiting for your child at the end of each day at the KS2 waiting area.

Topics for this term

English

Within English we will be studying a range of genres. First of all, we will be writing a tense spy story (based on the book: Point Blanc by Anthony Horowitz). After that, we will be completing a persuasive writing unit, based on WWII.

After half-term, we will be participating in a whole school cross-curricular unit, based on a book by Minnie Grey, followed by another fiction unit based on the book 'Blackberry Blue: and other fairy tales' by Jamila Gavin which features six magical stories to thrill and enchant the reader. Finally, we look at an extended topic based on 'The Giant's Necklace' by Michael Morpurgo - writing a variety of genres.

For each of these units we will look closely at the structure and organisation of the texts, the language and sentence features used, as well as the composition and effect. Grammar will be explicitly taught throughout.

Our spelling programme will continue as usual. Please help your child by ensuring lists are learned and any related homework is completed to your child's full potential. Learning the Year 3 and 4 and Year 5 and 6 key words is also crucial.

Please encourage your child to read daily and to read a range of texts as this will help with their preparation for SATs. We will also be working on reading comprehension - splitting the year group into five groups as part of our guided reading sessions. We will be targeting each group needs, focussing on developing the children's reading skills and beginning to hone skills which will support the children with their SATs.

Following requests for activities children can do at home to improve their grammar, we have put together a list of websites below where children can practise their grammar skills in a fun way. There are also grammar study books which can be purchased from shops like W H Smith which may help your child. There is a lot of associated vocabulary to learn!

KS2 Bitesize [Primary Homework Help | Online Games For Kids - BBC Bitesize](#)

Crickweb KS2 literacy <http://www.crickweb.co.uk/ks2literacy.html>

[Woodlands Literacy Zone - Interactive English Games - \(primaryhomeworkhelp.co.uk\)](http://www.primaryhomeworkhelp.co.uk)

They can also log on to their Purple Mash account and access many good resources at home.

<https://www.purplemash.com/sch/welwyn>

Maths

During the term we will include further work on the following topics: number and place value; ratio and proportion; algebra; metric units and conversions; measuring angles and

constructing 2D shapes; extending work in multiplication and division; revisiting fractions, decimals and percentages; reasoning about shapes and problem solving, which includes strategies on how to use apply knowledge gained. We will continue to practise mental and fluency strategies daily. Please encourage your child to learn their times tables thoroughly to enable speedy recall. This includes the division facts.

Mental maths homework runs from Monday to Monday.

For more information about what your children will be learning in maths throughout the year please visit our website www.welwynst-marys.herts.sch.uk. You can also find a useful vocabulary list, some games you might wish to play with your child and a document outlining the progression of written methods in mathematics. The Woodlands Junior Homework website <http://www.primaryhomeworkhelp.co.uk/> and Purple Mash have lots of good fun maths games to support your child's learning. <https://www.purplemash.com/sch/welwyn>

Science

This term we will be looking at 'Electricity' and 'Evolution and Inheritance'. Our electricity topic will involve experimenting with electrical circuits, drawing the symbols for the different components and using simple electric circuits to make games or activities. Our evolution topic will involve finding out about Mary Anning's contribution to palaeontology, exploring genetics, finding out about Charles Darwin and exploring adaptation.

Art/D&T

This term, we will be making pictures and sculptures based on 'People in Motion', followed by Lowry-inspired landscapes, looking at one-point perspective using a vanishing point. For our Design and Technology food unit, the children will be making soup which we link to our World War Two history topic. The children evaluate a range of different soups, consider where vegetables come from, design their own soup recipe and then make it.

History - World War 2

We will be studying the lifestyle of children and how they were affected by the war so now is the time to search your attic (or grandparents') to see if you can find any artefacts we could borrow for our class display e.g. old school books, ID cards and school photos.

Computing - Programming A - Variables in games

This unit explores the concept of variables in programming through games in Scratch. First, learners find out what variables are and relate them to real-world examples of values that can be set and changed

RE

We will be exploring passages of the Bible relating to the Messiah. We will make clear connections between biblical texts about God and how Christians put these beliefs into practice, for example, through calling for justice and promoting forgiveness.

We will weigh up how biblical ideas about love, holiness or forgiveness relate to the issues, problems and opportunities of our own lives in the world today.

PSHCE

We will soon complete our Positive Minds course, in association with Watford Football Club Outreach. After that, we will return to Jigsaw to study 'Celebrating Difference'.

PE

This term we will focus on indoor athletics, parkour and gymnastics. Invasion games are also a key focus for Year 6 PE. We will spend time developing and refining skills across a range of sports.

Music

The children will be learning notation and chord structure; writing a tune using chords they have learnt and will use their new skills to learn how to play chords on the Ukulele.

French

We will continue to learn a range of vocabulary, practising skills we have learnt in the Autumn Term

WEEKLY ARRANGEMENTS - TERM 2

Monday	Mental Maths homework due in for marking
Thursday	Spelling test / and English homework due in
Friday	New spellings and English homework given out

Please keep checking the monthly newsletters for any new events

Ways to help your child in Year 6

- ☺ *Your child should still be reading everyday so please encourage this. It is also useful to check home learning records regularly for any information about homework etc and sign at the bottom at least once a week.*
- ☺ *Continue to develop your child's mental maths skills by revising times tables and practising calculations. Use our website for ideas. Learning times tables should be a part of your daily home-routine. Please record any home-learning in your child's home learning record.*
- ☺ *Together, with your child, use the blue grammar book sent home. Revise all the areas.*
- ☺ *Encourage your child to come to school prepared for the day ahead with a pencil, blue pen (not biro), ruler, rubber, glue stick and any homework needed for that day.*
- ☺ *Ensure PE kit is worn on the correct days. Clearly name hoodies so that they can be returned.*
- ☺ *Make sure that they are using age-appropriate games and apps on any devices that they may have.*

The BBC also does a great site called BiteSize KS2 which allows the children to revise for the tests in a fun way. <https://www.bbc.co.uk/bitesize/primary>

Please keep checking the newsletters for any new events.

Looking Smart in School Uniform

Our school endeavours to ensure that our uniform is as gender neutral as possible.

School Uniform	
Trousers, shorts, skirt, pinafore	Grey
Polo shirt, shirt, blouse (with or without logo)	White
School sweatshirt, cardigan *(with or without logo)	Maroon
Plain sensible shoes (no trainers, sandals or boots)	Black
Socks/tights (not trainer socks)	Plain grey
School pink check cotton dress and plain white socks (maybe worn in summer term and up to October half term only)	
*Preferably children should have one sweatshirt or cardigan with a logo	

Additional items
Water bottle
Sun hat (in summer)
Reception and Year 1 - School book bag from uniform supplier Year 2 - Year 6 - Small rucksack
Hair accessories- small plain clips, bands, ribbons in brown, black or maroon
Key stage 2 - Shin pads for hockey and football
Optional fleece or jacket with school logo for outdoor use

PE Kit	
Plain PE shorts	Black
Long plain tracksuit bottoms for colder weather	Black
Trainers for outdoor games	
PE hoodie with house coloured logo	Available from uniform suppliers
Key Stage 1 and Reception only Coloured 'house' T-shirt	Available from the school office
Key Stage 2 only PE polo shirt with coloured house logo	Available from uniform suppliers
PE kit should be worn to school on PE days	

Jewellery

The only permitted jewellery that may be worn is:

- One pair of stud earrings (no other piercings are permitted). Earrings must be taken out or taped for PE.
- A sensible wristwatch (a smartwatch maybe worn if classroom mode is enabled at all times), whilst on the school site and school trips etc.

Jewellery is the responsibility of the pupil and not the school.

Hair

- Long hair needs to be tied back for school, this is for safety and hygiene reasons and to ensure that children's vision is not impeded. Hair should not be cut too short and should not have designs / tramlines shaven into it.
- Hairstyles should be smart and moderate in style. Brightly coloured hair is not permitted.

- Large, excessive hair accessories should not be worn; however, small hair clips or plain headbands or ribbons in brown, black or maroon are acceptable.

At the Headteacher's discretion, there may be exceptions to the above in extreme circumstances e.g. a pupil may be permitted to cover their hair if they have hair loss / illness etc.

Make-Up

Pupils are not allowed to wear make-up or nail varnish. False nails are not permitted.

Labelling

All clothing, shoes, water bottles and school bags should be clearly labelled with your child's name.

Any lost clothing is to be taken to the lost property box. All lost property is retained for a term and is disposed of if it is not collected within this time.

The school and Local Authority do not accept liability for loss or damage to personal property and we therefore do not encourage children to bring such items, including toys to school. Mobile phones are not permitted unless prior consent has been given from Mr Whiteland.

The school and Local Authority do not accept liability for loss or damage to personal property and we therefore do not encourage children to bring such items, including toys to school.

Mobile phones are not allowed in school, unless written permission has been sought.

E-Safety

Below is some important information on the school's policies on taking photographs of children as well as a copy of the e-safety agreement that the children sign.

Using Images Safely and Responsibly

We all enjoy and treasure images of our family and friends. Our new born baby, first steps, family events, holidays and school events are moments we all like to capture in photos or on video. We then have the added and exciting dimension of adding our images and video to our social network, such as Facebook, YouTube and many other online websites. This means that we can easily share our photos and video with family and friends.

Whilst this is naturally useful, in schools and educational settings we do need to protect and safeguard all children and staff in our school, including those who do not want to have their images stored online.

Online Images and Video. What should we think about before adding online any images or video?

Are there any risks?

Facts

- Once online any image or video can be copied and stay online forever.
- Some children are at risk and **MUST NOT** have their image put online. Not all members of the school community will know who they are.
- Some people do not want their images online for personal or religious reasons.

- Some children and staff may have a complex family background which means that image sharing online can have unforeseen consequences.

We must all 'Think Before We Post' online

At Welwyn St. Mary's School we are happy for parents and carers to take photos and video of the school events and productions for personal use but request that these images are not distributed or put online. This is to protect all members of the school community.

Thank you for your support.

Please note: From time to time, we use photographs of our pupils to promote and celebrate the good work in our school. This might be on our website or in paper form to carefully selected audiences. We never publish a child's name alongside their photograph for reasons of safety. **If you do not wish your child's photograph to be used in this way, please send a letter in to your child's teacher.**

Pupil Acceptable Use Agreement / E- Safety Rules

- I will only use computing devices in school for school purposes.
- I will only use my class e-mail address or my own school e-mail address when e-mailing
- I will only open e-mail attachments from people I know, or who my teacher has approved.
- I will not tell other people my passwords.
- I will only open / delete my own file.
- I will make sure that all computing content with other children and adults is responsible, sensible and polite.
- I will not deliberately look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this, I will tell my teacher immediately.
- I will not give out my own details such as my name, phone number or home address. I will not arrange to meet someone unless this is part of a school project approved by my school teacher and an adult comes with me.
- I will be responsible for my behaviour when using devices because I know that these rules keep me safe.
- I know that my use of computing devices can be checked and that my parent / carer will be contacted by a member of staff if they are concerned about my safety.

Important Dates:

23 rd January	SATs meeting for parents at 2.15pm
8 th - 9th February	Parent consultations
13 th - 17th February	February Half term holiday
24th February	Year 6 Cake Sale
30th March	Whole school Easter service at St Mary's Church
31 st March	Term ends at 1.20 pm

Please keep checking the newsletters for any new events.

Thank you for continuing to support us with your child's learning.

Mrs Harrison, Mrs Mather, Mrs Phillips and Mrs Branch
